

GS CORPORATION

Over 1000 Small Business Owners trust GS Corporation for all their delivery needs. Put us to the test and you'll wish you found us sooner.

We've always got your pack!

Getting to know us better

With a passion for the freighting industry and a vision of building a sustainable business that could support not only himself but also create employment in South Africa, Grant Sekgale founded GS Corporation (Pty) Limited in 2016.

Grant has over 10 years of experience in the courier and freighting industry thus providing solid leadership to the companies various stakeholders.

We have been successfully providing the Southern African market with freighting solutions over the past 5 years. The backbone of the business is supported by trusted strategic partners that ensure continuity and efficiency at all times.

GS Corporation has been largely focused on supporting SMEs with their freighting needs though they are also determined to grow their domestic and corporate client bases.
